

Protocollo nr. b\_phd\_10\_09/10

### **Admission Procedure Selection for the Program Planetary – Collegium M-Node NABA PhD research grant**

Aiming to promote the research among New Media Art and Digital, aesthetic and contemporary technology cultures, 6 research grants were created in association with the PhD Program Planetary-Collegium M-Node and NABA (Nuova Accademia di Belle Arti) starting from the academic year 2009/2010, partially and totally, covering tuition fees. The grants are divided as follow:

- 4 Partial Grants
- 2 Full Grants

#### 1. Grant admission procedure

Send the 'application dossier 'via M-Node NABA (via mail/ courier NO EMAIL) consisting of:

- a) grant request form (see next page) filled out and signed (directly downloadable on the website: [http://www.m-node.com/mnode\\_programs.html](http://www.m-node.com/mnode_programs.html));
- b) personal cv resume (2 pages max length) written in both Italian and English;
- c) motivational letter explaining why your research should receive the grant. The letter should be max 1 page, typewritten in both Italian and English;
- d) signed copy of your ID document ( with document number, date and place of release).

2. After receiving all PhD M-Node research grants requests, the PhD program's office will convene the commission to examine all grant requests and will then issue a written communication on the research grant exit within timing and conditions to be later announced.

The commission will contact the winners of the Research Grant directly via certified mail.
